

CAMPAIGN GOALS

The Commitment

Throughout Palm Beach Day Academy's 90-year history, young people have been given the tools and the strength to confidently choose and create their own futures. The vision, foresight, and generosity of generations of men and women have made it possible for countless children to learn, grow, and thrive. Contributions to *The Great Expectations Campaign* will expand on the foundation of superb teaching that is the hallmark of Palm Beach Day Academy.

Note: As estimates of final costs of the project elements are assembled, the campaign target is being updated and refined. The component costs and campaign goal will be announced shortly.

Purchase of the Unity of the Palm Beaches Church Property

With the purchase of the Waterfront Unity Church Property on Flagler Drive, the Lower Campus of Palm Beach Day Academy will encompass over three contiguous acres.

Comprehensive Early Childhood Center

The Comprehensive Early Childhood Center will offer a program that is unsurpassed in its ability to nurture and inspire the imagination, curiosity, and natural intelligence of our young children.

Athletic and Performing Arts Center – Lower Campus

The building of an Athletic and Performing Arts Center on our Lower Campus will enhance our athletic and performing arts programs for both campuses.

Performing Arts Center – Upper Campus

The Matthews Auditorium will be transformed into a state-of-the-art Performing Arts Center, appropriate for the showcasing of the extraordinary talent of our students.

Facility Upgrades

The building on our Upper Campus is architecturally significant and an important part of our history. Outdated windows, poorly lit spaces, unattractive hallways, and aging classrooms need to be renovated.

Educational Development Fund

The fund will provide innovative educational programs for students and professional development opportunities for faculty, ensuring that students continue to receive highest quality teaching throughout their Palm Beach Day careers.

Financial Aid

Palm Beach Day Academy provides financial aid to qualified children whose families cannot afford full tuition.

Endowment

Endowed funds help support educational initiatives, faculty development, enrichment programs, financial aid and help underwrite the maintenance of new and existing facilities. The Endowment will include Named Academic Chairs to honor teachers who have made significant contributions to the school and to pass on the tradition of teaching excellence at Palm Beach Day Academy in perpetuity.
